

Prayer for Survivors of Adultery, Abuse, or Abandonment

Lord, we pray for those suffering from the painful trauma of adultery, abuse, & abandonment. We pray that you would fill them with your peace that passes understanding and that you would comfort them with the comfort of the Holy Spirit. Show us how to be your hands and feet and care for and protect them as you would. Give them strength to walk this hard road. Surround them with support and provide for their every need, as is your way, Lord. Heal their broken hearts and fill the empty spaces of their life with you. Give them wisdom as they make difficult decisions. Remind them of your steadfast love for them and that there is nothing and no one that can separate them from that love. Thank you that you are good and that you use all things for good, even when we can't see how. Thank you that you never leave us and that you never forsake us. Thank you for always being faithful. Amen
